

West Hawaii Keiki Coalition

75-166 Kalani St #104, Kailua-Kona, 96740 Office: 331-8777

~ October Minutes ~

1. **People in attendance:** Erin McCullogh, Dawn Johansen, Erika Empey
2. A representative from the Love and Peas Foundation came to talk about a program they are trying to implement with CWS which would work with youth and parents. It would consist of a one-day workshop, then some sort of on-going relationship. The Coalition would be interested in assisting with things if they needed.
3. **Human Trafficking Seminar update**
Erika discussed how the up-coming workshop on Human Trafficking was coming together. Everything is on schedule, and there wasn't anything else to accomplish, except to find a projector.
4. **Update on mentoring**
Erika gave the group a quick update on recruitment of mentors, as well as letting the group know that contact was made with Innovations Public Charter School to implement the program in their school first starting within the upcoming year.
5. **Radio ads**
The radio ads and mission statement discussion was put on hold due to not enough people in attendance.

Next Meeting: November 29th, 2016
